KRISTBERG

THE LAST MOMENT OF THE YEAR.

FROM MOMENTS TO MEMORIES.

FROM WISHES TO WONDERS.

FROM DECEMBER TO FOREVER.

As the year draws to a close and the mountains are shrouded in glittering snow, it's time to pause – and celebrate. New Year's Eve at Kristberg is more than just an evening: It's a transition full of style, music, taste, and genuine encounters.

On December 31st, we begin with a champagne reception by the open fireplace. Live music with Max The Sax and friends and a festive speech by the Zimmermann family will set the tone for the evening – before you spend the last hours of the year in one of our restaurants, depending on your choice (or reservation).

Because the culinary aspects are also entirely up to you:
In Salon Lech, you can choose between two sophisticated fondue variations or an opulent New Year's Eve buffet with classics and creative reinterpretations.

Or you can enjoy the exclusive 6-course gala menu at the Scotch Club – a feast of flavors in an elegant atmosphere, accompanied by selected wines and champagne.

At 11:40 p.m., we'll toast the New Year together – with lucky charms and champagne service. Then the party begins. Entertainment is guaranteed to make the turn of the year unforgettable! The sounds of our DJ and our legendary live artists will turn this special night into day. Late-night refreshments like homemade raclette sandwiches will provide the energy for dancing.

The question remains whether it's even worth going to sleep - but because a good morning counts just as much as a celebrated night, we'll start on January 1st with a delicious New Year's breakfast, lucky clover and the broadcast of the New Year's Concert.

Celebrate the end and the beginning with us – in a moment that lasts.
From this year to the next. Silvester im Kristberg.

– Your Zimmermann family
